WHOLESALE PRICE LIST OF THE WORLDS BEST DAHLIAS

EVERY Dahlia Lover wants the very best to be had. Our trial grounds in 1912 were not only the best arranged in the world; but, demonstrated to the entire satisfaction of the many thousands of visitors, that "**Peacocks Dahlias**" are "**The Worlds Best**".

Commercial florists, and amateuss, alike, marveled at the entire absence of inferior varieties. They were still more surprised at onr preliminary trials, which contained hundreds of new varieties, of which not more than 10 per cent were up to the high standard entitling them to a position in our regular collection.

A New Varity that does not surpass existing varieties is not worthy of general culture.

Every variety in this list is accurately described in our Descriptive Catalogue. If you have mislaid your copy, kindly advise us and we will cheerfully send you another copy by return mail, free.

We are not dealers, but the largest Dahlia growers in the world, others claims to the contrary notwithstanding, and offer the product of nearly 100 acres direct from the farm.

Our especially adopted soil; our corps of expert growers; our careful attention, and our guarantee that all stock is absolutely true to name and description insures you of getting THE WORLDS BEST DAHLIAS when you place your order with us.

The prices herein given are all for strong field grown roots, by Mail postpaid, and will give entire satisfaction. Larger roots will be sent by express, charges collect.

We do not grow "Cheap Stock", but the best that can be grown; and, guarantee safe arrival and entire satisfaction. We are offering you greater Dahlia Values with a corresponding greater pleasure than ever offered before.

Order Early and you are not only sure of getting roots of every variety you want, but enables us to give better attention and avoid errors that occasionally occur during the Spring rush. We also offer 5 per cent discount on all orders accompanied with cash received during January 4 per cent during Feburary and 3 per cent during March.

If you have never grown our Dahlias, give us a trial order now, that we can demonstrate their superiority.

Complete Plant Catalogue Ready March 15th.
